AFU Medical Day for Early Detection of High Blood Pressure

Al Falah University, in collaboration with the Ministry of Health and Prevention, organized an international campaign for High Blood Pressure Testing to educate individuals about hypertension, with the participation of the University’s President, Prof. Abdelhafid Belarbi, together with the College Deans, Faculty Members and Admin Staff. The campaign aimed to raise awareness about the importance of early detection of high blood pressure and the seriousness of its complications on one’s health.
