

VISITING STUDENTS

A visiting student who wishes to study at AFU is required to obtain the approval of the relevant College Dean. If a visiting student who has previously attended courses at AFU wishes to obtain a degree, he/she must meet the admission requirements at AFU and the college in which he/she wishes to enroll. Visiting students from other universities need to provide the AFU Admission and Registration Unit an official approval from his/her College/University Registrar's Office.
