

AFU Scientific Research Forum 2018

The Scientific Research Committee at Al Falah University organized the “AFU Scientific Research Forum 2018” as a response to one of AFU’s goal to establish center of Research and Professional Development through joint research collaborations and interdisciplinary research by initiating and developing scholarly activities.

Dr. Mohaned Halaweh, the Chairman of the Scientific Research Committee welcomed Prof. Abdelhafid Belarbi, AFU President and all participants. Prof. Belarbi for his presentation discussed the trends and perspectives in Higher Education and Research.

The other attendees' topics were all related to theory of research, intellectual property and the use and influence of social media when it comes to conducting scientific researches. Aside for Prof. Belarbi and Dr. Halaweh, Dr. Panagiotis Kokkalis from the College of Business Administration, Dr. Mohammad Najm and Dr. Anan Younes from the College of Law and Dr. Moutaz El Bahi from the College of Mass Communication also presented.
