

College of Law Students from AFU Visits Dubai International Arbitration Center

As part of community engagement and in order to open scientific, educational, cultural and community channels to students, Dr. Rania, Assistant Professor from College of Law at Al Falah University organized a visit to the Dubai International Arbitration Center located in the Dubai Chamber of Commerce.

Director Abdulaziz welcomed the delegation and discussed several topics such as Introduction to Arbitration, Differences between each International Arbitration, the regular court followed by the United Arab Emirates and the Development of International Arbitration, its benefits, features, and rules.

The Director also showed facts and cases registered at the center over the years and explained the discrepancy between the figures in a number of cases registered and reasons that led to increased efficiency in the center and the challenges they faced.

Towards the end, Director Abdul Aziz encouraged students to ask questions relating to the center and provided guidance and advice to the students' educational process.
