

Million Signatures Initiative

Faculty members, administrative staff, and students participated in the Million Signatures Loyalty Initiative launched by Mr. Ali Abdullah bin Huaiden Al Ketbi last September for the National Day, on the occasion of UAE's 46th National Day.

The initiative aims to renew and strengthen the citizens' patriotism of the homeland by collecting one million signatures before the national day. The initiative is not only for local students, but for students of all nationalities who have welcomed the initiative and are keen to express their love for UAE.
